#lka has two distinct types of threats: (1) radical Islamist violence targeting non-believers; (2) ultra-nationalist Sinhalese mobs targeting Muslims more generally. Failure of Sinhala press at large to capture the latter contributes to dangerous skewing of public understanding.

Shamara Wettimuny @shamara4w

Sinhala press, in contrast to Tamil press, fail to mention that Muslims are the TARGETS of violence. Attacks on Muslim shops and mosques vaguely alluded to through euphemism of 'tense situation'. Refer to curfew instead of violence. Why? twitter.com/verite_tma/sta...
